APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and further subject to the provisions set forth in that certain ruling dated July 25, 1949 in the matter of this application and others in name of Locke and Titus. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed .0012 cubic feet per second, or sufficient to water 200 head of cattle between April 1 and June 1 and between September 1 and December 1 of each year. Actual construction work shall begin on or before April 1, 1950.

Proof of commencement of work shall be filed before May 1, 1950.

Work must be prosecuted with reasonable diligence and be completed on or before April 1, 1951.

Proof of completion of work shall be filed before May 1, 1951.

Application of water to beneficial use shall be made on or before April 1, 1952. Proof of the application of water to beneficial

use must be filed with State Engineer on or before May 1, 1952.
